Lot No. 1

1.76 acres

Area in conflict

with Sec. No. 1035

0.06

First Area

1.70

Located in the N. W. 1/4 Sec.

35, T. 33 S., R. 73 W.

Said survey was made

in accordance with the

preceding and with a solar

traverse.

The improvements made upon

the said claims by the applicant

consists of the diamond shaft

43 feet deep which is located

S. 70° W. 350 feet from the

center of the east end of

the claims, also an open cut

on the vein running westly

from the discovery 50 feet

and southerly 25 feet, the

tail end being 40 ft. deep.
and 4 feet wide and the
value of these improvements
together with the labor ex-
pended on the said claims
by the applicant is not
less than Five Hundred Dol-
ars ($500.00) and in my
opinion the actual cost
was Seven Hundred Dollars.
($700.00)

The improvements made
upon the said claim by
other parties amounts of
a shaft 18 feet which is
located S. 70° W. 65 ft.
from the center of the
East End of the claim.
# Shaft 28 feet deep
which is located S. 70° W.
125 ft. from the center
of the East End of the claim.
# Shaft 10 feet deep
Survey No. 1144
Mineral District No. 2

Plat
of the Claim of
Charles H. Morris
into the
Edgar Union Lode
Spanish Bar Mining District Clear Creek County, Colorado.

Containing 1.70
Acre.
Scale of 200 — Feet to an Inch.
Variation 15°.30' E.

N. W. 1/4 Sec. 35 T. 3 S. R. 73 W.

The original Field Notes of the claim of Charles H. Morris, upon the Edgar Union Lode from which this Plat has been made, have been examined and approved, and are on file in this office. And I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects and permanent monuments as will perpetuate said the locus thereof. I further certify that the value of the labor and improvements upon the said Mining Claim placed therein by the applicant or his grantees, is no less than Five Hundred Dollars, as sworn to by the Deputy Surveyor, and that said improvements consist of Shaft, Open Cut.

And I further certify that this is a correct Plat of said Mining Claim or premises, made in conformity with said original Field Notes of survey thereof.

U. S. Surveyor-General's Office.
Denver, Colorado.
December 16, 1880.

Albert Johnson,
U. S. Surveyor-General for Colorado.
