List of the names of Individuals employed to assist in running, measuring and marking the lines and corners described in the foregoing field notes of the claim of

Owen and John P. Davis

upon the Quadrantmatic lode, in Cyanidian and Idaho mining district, Clear Creek County, Colorado.

I hereby certify that we assisted M. J. Correll
U. S. Deputy Mineral surveyor, in surveying the exterior boundaries and marking the corners of the claim of

Owen and John P. Davis

upon the Quadrantmatic lode, in Cyanidian and Idaho mining district, Clear Creek County, Colorado, and that said survey has been, in all respects, to the best of our knowledge and belief, well and faithfully surveyed and the boundary monuments planted according to the instructions furnished by the Surveyor General.

Y. L. Black

Subscribed and sworn to by the above named persons, before me, this 11th day of December 1880.

[Signature]
The original Field Notes of the claim of John Owen and John P. Davie upon the Quartermaster Lode from which this Plat has been made, have been examined and approved, and are on file in this office. And I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects and permanent monuments as will perpetuate and fix the locus thereof. I further certify that the value of the labor and improvements upon the said Mining Claim placed thereon by the applicant or his grantees, is not less than Five Hundred Dollars, as sworn to by the Deputy Surveyor, and that said improvements consist of...

And I further certify that this is a correct Plat of said Mining Claim or premises, made in conformity with said original Field Notes of survey thereof.

U.S. SURVEYOR-GENERAL'S OFFICE.

DERECE, COLORADO.
