MINERAL DISTRICT NO. 2

OF THE CLAIM OF
The Consolidated Satun Mountain
Mining Company

KNOWN AS THE
CASH LODGE

In Idaho Mining District,
CLEAR CREEK, County, COLORADO.

Containing an Area of —— 2.904 —— Acres
Scale of —— 200 —— Feet to the Inch.

Surveyed —— August 10th, 1898 —— by
W. H. Wiley
(Deputy United States Commissioner.

The map and field notes of the survey of the Mining Claim of the Consolidated Satun Mountain Mining Company, known as the Cash Lodge, from which this plat has been made under my supervision, have been examined and approved, and are on file in this office, and I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent form, fully identify the premises, and that such reference is made therein to natural objects or permanent monuments as will perpetuate and fix the lines thereof.

I further certify that Five Hundred Dollars worth of labor has been expended or improvements made upon said Mining Claim by plaintiff or its grantee, and that said improvements consist of the discovery shaft, and a portion of a tunnel as appears by the attitude of the deputy surveyor; said amended survey has been made in compliance with instructions from the Hon. Commissioner of the General Land Office dated July 1st, 1898, and I further certify that the location of said improvements is correctly shown upon this plat and that no portion of said labor or improvements has been included in the estimate of expenses upon any other claim.

I further certify that this is a correct plat of said Mining Claim made in conformity with said original field notes of the surveyor thereof and the same is hereby approved.
