The original Field Notes of the claim of the Consolidated Seaton Mountain Mining Co. upon the Locke, from which this Plat has been made, have been examined and approved, and are on file in this office. And I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects and permanent monuments as will perpetuate and fix the locus thereof. I further certify that the value of the labor and improvements upon the said Mining Claim, placed therein by the applicant or his grantees, is not less than Five Hundred Dollars, as sworn to by the Deputy Surveyor, and that said improvements consist of stock and timber as to the value...

Signed

And I further certify that this is a correct Plat of said Mining Claim or premises, made in conformity with said original Field Notes of survey thereof.
