The original Field Notes of the Survey of the Claim of
The Consolidated Seaton Mountain Mining
Company were made under the
Esmeralda Lode
from which the plat has been made, have been examined and
approved, and are on file in this office; I hereby certify that
they furnish such an accurate description of said
Esmeralda Lode as will if incorporated into a plat, fully iden-
tify the premises, and that such plat is made to show
natural objects, and permanent improvements, in the
field notes, and for the laws thereof, I further certify that
the value of the labor and improvements placed therein
by the applications, is $10,000 or less than the
Hundred Dollars, and that said improvements consist of
Deserte, Stage and three cits

as appears by the sketch of the claims surveyed itself
further certify that this is correct Plat of said Mining Claim
made in conformance with said approved field notes of the
same thereof.
